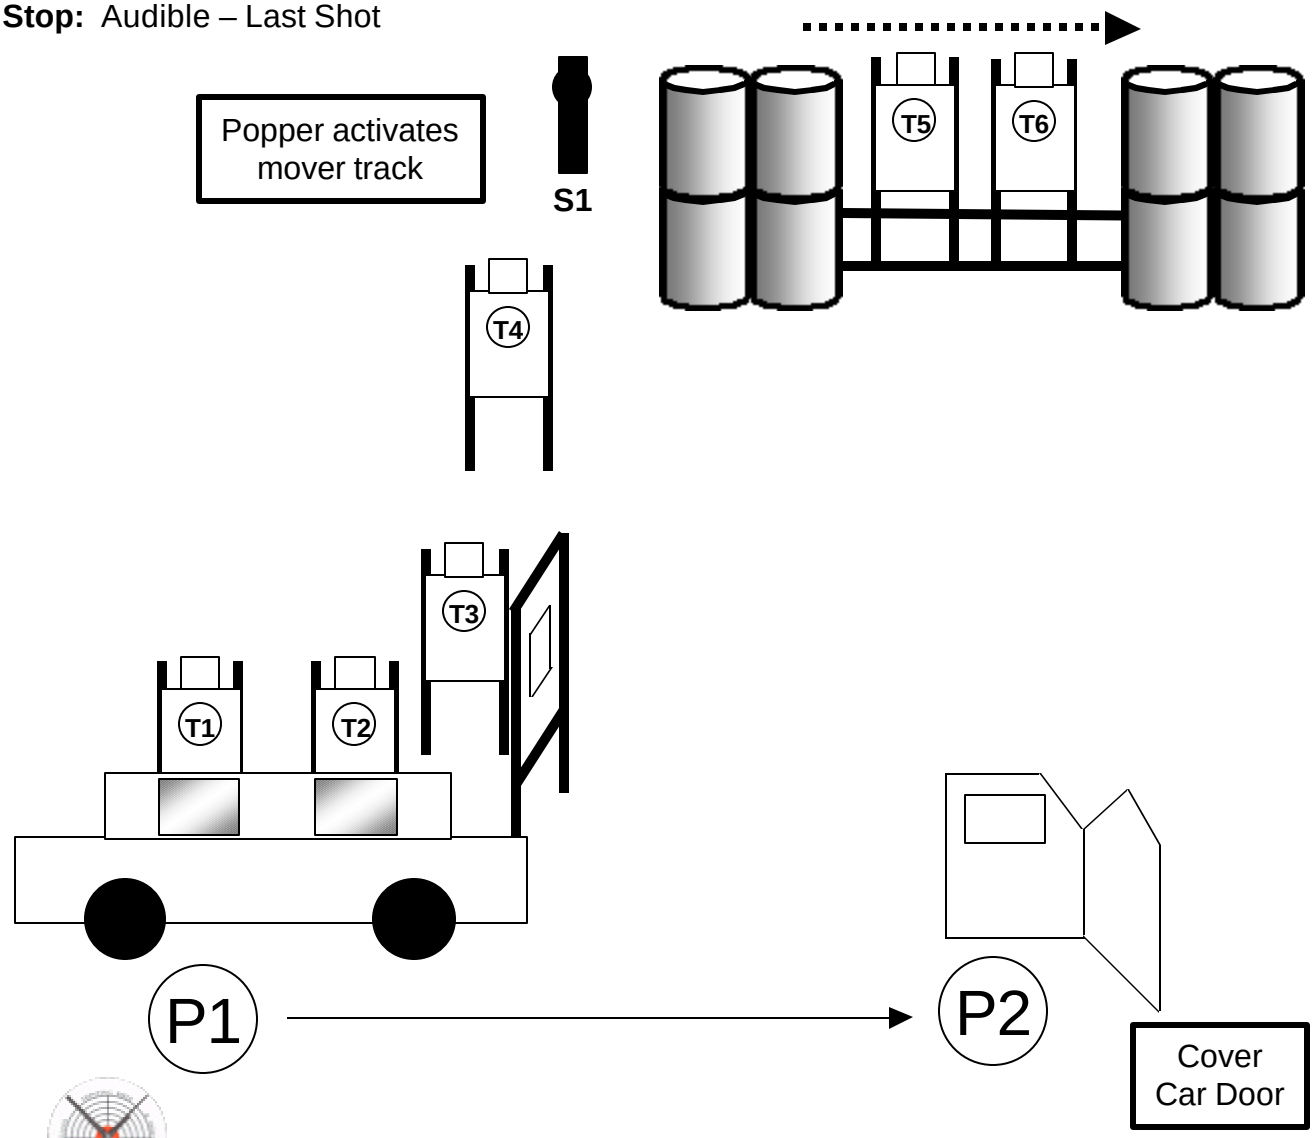
Stage 1: Police Shoot Out


Scenario: A police officer has pulled over an SUV with a taillight out. There were several men in the vehicle that had just robbed a bank. While the officer was writing the ticket, the men drew their weapons and started firing.
Start Position: Standing at P1 facing down range holding a ticket book with both hands. Handgun holstered and loaded to IDPA division capacity.
Stage Procedure: Fire at least 2 shots each at Tl – T3 **while moving** to your patrol car for cover at P2. While at cover, fire 2 shots at T4. Then engage the popper S1, which will trigger the mover. Fire at least 2 shots each on T5 and T6 as they move across the track before they disappear. (The bad guys are running while shooting at you.)
Concealment: Optional
Scoring: Vickers
Scored Hits: 13 rounds minimum.
Targets: 6 IDPA, 1 popper, car, car door, barrels and mover track.
Penalties: Standard, must shoot T1 and T2 while moving, failing to perform the proper reload, NO FTN on disappearing targets T4 and T5.
Start Stop: Audible – Last Shot
